ENSEMBLES

Ensembles are an integral part of the OPUS curriculum and participation is mandatory for advancement at grades 1, 4, and 7. They are designed to ensure that students of all ages and skill levels have the opportunity to be a part of a group working together towards a common musical goal. Unlike the groups that students participate in at their primary schools, our ensembles are small and place much more emphasis on each individual's contributions.

OPUS ENSEMBLES

OPUS GRADE 1 ONLY BARNACLE BAND

Barnacle Band is where beginner students can learn the joy of playing music together. Students will work on the fundamentals of listening, counting, reading sheet music, and playing together as a group. Beginner students are encouraged to join, even if they've only had a few lessons! All instruments welcome!

TENTACLE BAND OPUS GRADES 2-4

Tentacle Band is a group designed for students who are advancing at their instruments and ready to play more complex arrangements of a wide variety of music. Participants will learn about song structure, instrumentation, listening, and perform pieces that are curated by the instructor. All instruments welcome!

OPUS GRADES 5+ OCTOROCK

OctoRock is an advanced group where students work on more challenging music. Participants will prepare for a performance at one of the school showcases. OctoRock ensembles are also eligible to compete in the Battle of the Bands against our school's premier ensembles. All instruments welcome!

PREMIERE ENSEMBLES

ROCKTOPUS INSTRUCTOR RECOMMENDATION

Students in ROCKtopus will have the opportunity to learn and develop a repertoire of advanced pop/rock hits in an intimate and fun setting. Instructors will guide students to play songs together, assist in developing an understanding of dynamics, and help to encourage collaboration and improvisation. All instruments welcome!

INSTRUCTOR RECOMMENDATION NYLON TENTATCLE / OCTOPUS' GARDENERS

Nylon Tentacle and its primer group, Octopus' Gardeners, are classical guitar ensembles where students learn a combination of traditional and modern repertoire pieces. Like a traditional string ensemble, but for classical guitars! Nylon string guitars only!

OCTOPUS STRING ORCHESTRA INSTRUCTOR RECOMMENDATION

Our small format string orchestra is the perfect place for students who want experience in a classically-oriented group. The primary repertoire will focus on chamber music and participants will have the opportunity to perform at showcase series as well as outside performance events. Strings only!

Ensembles are subject to schedule availability and may change without notice. One curriculum required ensemble is included per enrollment term in PLUS & PREMIUM Plans. Plan discounts may only be applied to additional OPUS ensembles and elective camps and may not be used towards Premiere Ensembles.
